SCALBY SCHOOL

'Being the best we can be'

20 October 2017

Dear Parent/Carer

I am pleased to inform you that Michael McCluskie has been appointed as Scalby's new Head Teacher and will take up his post in January 2018. He was chosen from a national field and emerged successfully from a two day process involving nine different activities to assess the candidates' readiness for headship. I am confident that Michael McCluskie's presence, endeavour, knowledge and ambition to improve the school further, will build on the strong, stable foundation we have already established. I will remain involved as the part-time Chief Executive Officer of Scalby Learning Trust, overseeing the school's performance and I look forward to seeing Scalby School develop under its new leader in the years to come.

Michael McCluskie will make a presentation to parents on Thursday 23<sup>rd</sup> November 2017 at 7pm in the school hall, outlining his plans for the school's development under his stewardship and to take questions from parents. He will also explain the re-structuring of the leadership team, necessitated by my departure from January 2018.

Yours sincerely

David Read
