**Year 7 Parents' Evening Thursday 23 October 2014 5pm-8pm**

Dear Parent/Carer

I am writing to invite you and your child to our Parents' Evening on Thursday 23 October. This Parents' Evening has a different format to our Praising Stars Parents' evenings. You will have the opportunity to meet your child's Mentor who will have a range of questions which they will use to build up a picture of how well your child has settled. This means that, unlike traditional Parent's Evenings, where the teacher describes progress, it will be your child who talks about their early experience of secondary school. The "Skills Questionnaires" which your child will complete ahead of the meeting will play a key part in the discussion. This will also help us to understand how we can improve our transition arrangements between Year 6 and Year 7.

Your views as parents are of course, of equal importance and I would be grateful if you could complete and hand in a Parental Questionnaire which will be distributed on the night.

Your child's Mentor will allocate a time for your appointment on a first come first served basis and appointments will take place from 5pm with the last appointment finishing at 8pm. The Mentor will ask your child to record this time in their planner on the page of 23 October. Could I please ask that you confirm your attendance at the meeting by signing next to the time no later than **17 October**. On the evening your son / daughter should take you to their mentor room, please aim to arrive 5 minutes before your allotted time.

I would ask you to direct any subject specific question to your child's subject teachers at the forthcoming Praising Stars Parents' Evening on Thursday 13 November. Of course, contact with teachers at Scalby is never limited to parents evenings; you are always welcome to call or email your child's teachers at any time should you require an update on their progress.

Yours sincerely
