INFORMATION – Please take time to Read Fully

Starting Times

Scalby start times for exams are **8.45** a.m. for mornings and **1.15** p.m. for afternoons. PLEASE ARRIVE 30 minutes before the start of the exam, in order to register present on school premises and identify where your examination will be held. You will be advised of any adjustments to start time. Pre-Public Exams start at different times, please check the noticeboards for details.

Exams Clashes

If you have external exams which total **more** than 3 hours in one morning or afternoon session you will receive a letter with your examination entries detailing the arrangements which will be made.

Exams totalling **less** than 3 hours in one session are timetabled by the awarding bodies to be taken one after another; you will **not** be allowed to leave the room between exams without supervision; in most instances the only break will be the time it takes to collect in and hand out papers.

Location of Exams

The majority of exams will be held in the Sports Hall, Main Hall or the Gym, the seating plan for which will be displayed daily on the noticeboard outside the exams office on the main corridor.

Seating Plans

These consist of a system of numbered and lettered columns and rows in the room – please check this out before your exam. **Your seat will not be the same for each exam.** You must sit in the seat which has been allocated to you.

If someone else is in your seat – TELL THE INVIGILATOR

Candidate Number

You must know your candidate number as seating arrangements will be in candidate number order.

Equipment

Equipment of standard nature should be brought to the examination (e.g. BLACK ball point pen, pencil, ruler, pencil sharpener, eraser and where required, protractor and/or a calculator). Where exams require other items (e.g. coloured pencils), these should be brought along by the student.

NO FOOD allowed – only water in clear bottles with no labels.

Mobile Phones & other Web-Enabled Devices (Including WATCHES) are Not Allowed

The penalties for having a web-enabled device on your person during an exam can be heavy, e.g. disqualification from the exam or even all exams in that series.

BAGS/COATS and non-exam equipment must be left in the place designated on the noticeboard situated outside the exams office on the main corridor.

A Five Minute Warning

A warning will **NOT** be given; you will need to keep an eye on the time yourself to see when the exam is due to end.

Conduct in the Exam Room

You must be silent at all times when in the exam room, including while entering and leaving; there will be occasions when you are leaving and others are still working – BE CONSIDERATE. If you need assistance, for whatever reason, put your hand up clearly and wait for an invigilator to attend to you. You will **NOT** be allowed to leave early if you have finished an exam as this disturbs other candidates in the room.

School Buses

Be aware that buses will leave at the normal time in the afternoon. If your exam finishes later than the end of the school day you will need to make alternative arrangements to get home. **YOU WILL NOT BE ALLOWED TO LEAVE THE EXAM EARLY TO CATCH A BUS.**

Illness

If you are ill on the day of the examination, you should try to sit the exam if possible. If you do but feel your performance has been affected and would like to ask the awarding body for special consideration, a self-certification document is available online or from the Exams Office, once completed this must be given to Mrs Short in the Exams Office within 3 days of the exam which has been missed or sat under difficult conditions, together with brief details of the issue or illness and how you have been affected. If you are too ill to take the exam you should ring the school on 01723 362301 to notify the school of your absence.

For further information and guidelines please see the “Examination Guidance for Parents & Students” booklet and “Information for Candidates” notice which are available online from the school website.

Unique Learner Number

You have been issued with a unique learner number; this will appear on your statement of entry and your timetable. This number will be your means of obtaining details of your qualifications later in life, it is important that you know how to access the information linked to it. Further information is in the “Examination Guidance for Parents & Students” booklet available online from the school website. It is important that you read this document as it contains information on how to access your qualifications and provide proof to Further Education Providers and Employers in the future.

Contacting the Examinations Department

Telephone 01723 362301 and ask to be put through to the Exams Office, with brief details of the matter. If the Exams Manager is unavailable details can be passed on with your contact information for later.

Email exams@scalbyschool.org.uk with details of the matter and your own contact details. If the Exams Manager is busy a quick response may not always be possible, but you will be contacted in due course.
