

Dear Parent / Carer,

Tuesday 13th October – Wednesday 21st October 2020

Your child is now being set home-study tasks online via Google Classroom and students have been shown videos in mentor time to support them with this. All classes have been taught how to use the 'Oak Academy' learning website and how to open the Student Portal where email, Google Classrooms, and Microsoft Teams can be accessed, along with a range of other online learning resources.

Tuesday 13th October 2020

Tasks will be set on Google Classroom with links to relevant educational websites such as the 'Oak Academy' website. Students should attempt to follow their usual timetable when attempting activities. Teachers will set a variety of tasks on Google Classroom linked with current topics being studied in school.

Wednesday 14th October – Wednesday 21st October 2020

Teachers will deliver online 'Live Learning Support' sessions in line with your child's timetable. These sessions will be a chance for your child to receive advice and guidance from their teachers and ask any questions about how to complete tasks set on Google Classroom. Students will also be able to complete tasks whilst their teacher is present. Students will be able to move from lesson to lesson following their timetable, via Microsoft Teams.

Students can log in to each of these live sessions for as long as they are able. For instance, if your child needs to share a device with another family member to complete their work, they may need to take it in turns to access their timetabled lessons. To access Live Learning Support sessions, your child will be need to log-in to Microsoft Teams via their Student Portal, click on 'Teams' and then select the relevant class.

A 'Remote, Online Learning Home-School Agreement' form was posted to you last week. Please read this with your child and talk through the responsibilities of acting responsibly online with your child.

A link to the training videos and resources for students, as well as a special video for parents about how to access and use Google Classroom, can be found on the school website. On the front page of the website, you will see a link that reads **Guide to Accessing Google Classrooms from Home**. You can also go to this address directly <https://www.scalbyschool.org.uk/home-learning/guides-to-accessing-google-classrooms-from-home/> You'll find the videos there.

Headteacher: Mr M. McCluskie

Fieldstead Crescent, Newby, Scarborough, North Yorkshire YO12 6TH
