

8th January 2020

Dear Parent / Carer,

Following the government's decision instructing schools to switch to remote learning for every year group until Friday 12th February, we have revisited our remote learning provision. Year 11 students provision remains the same with students able to access 'Live Learning Support' sessions every lesson.

Year 11

Monday 11th January 2021 – Friday 12th February 2021

Teachers will deliver online 'Live Learning Support' sessions all day on **Monday, Tuesday, Wednesday Thursday & Friday**. Attached to this letter is a student timetable, which details when 'Live Learning Support' sessions occur for Year 11 students.

The 'Live Learning Support' will be a chance for your child to receive advice, guidance and feedback from teachers and ask any questions about how to complete tasks set on Google Classroom. Students will be directed to complete tasks during this session.

Please take note the following changes:

- Break will now be at 10.45am for all students. Lunch will be at 12:00 for all students.
- PE Core activities will be set on Google Classroom

A link to the training videos and resources for students, as well as a special video for parents about how to access and use Google Classroom, can be found on the school website. On the front page of the website, you will see a link that reads 'Guide to Accessing Google Classrooms from Home'. You can also go to this address directly <https://www.scalbyschool.org.uk/home-learning/guides-to-accessing-google-classrooms-from-home/> You'll find the videos there.

If you have any questions about how to support your child when learning from home, please do not hesitate to get in touch with the school. You can contact your child's Head of Year via email or phone the school directly to seek support.

A further letter containing information about students GCSE's will be sent to you over the weekend.

Yours faithfully

Chris Robertson
Deputy Headteacher

Headteacher: Mr M. McCluskie
