

Dear Parent / Carer,

Thursday 22nd April 2021

Your child is now being set home-study tasks online via Google Classroom or MS Teams (Computing & Business) and students have been shown videos in mentor time to support them with this. All classes have been taught how to use the 'Oak Academy' learning website and how to open the Student Portal where email, Google Classrooms, and Microsoft Teams can be accessed, along with a range of other online learning resources. Tasks will be set in Google Classrooms and MS Teams(Computing & Business) today. Live Learning support via Microsoft Teams will begin on Friday.

Friday 23rd April 2021 - Friday 30th April 2021

Teachers will deliver online 'Live Learning Support' sessions in line with your child's timetable. These sessions will be a chance for your child to receive advice and guidance from their teachers and ask any questions about how to complete tasks set on Google Classroom on MS Teams (Computing and Business). Students will also be able to complete tasks whilst their teacher is present. Students will be able to move from lesson to lesson following their timetable, via Microsoft Teams. Students should return to school on **Tuesday 4th May following the bank holiday.**

Students can log in to each of these live sessions for as long as they are able. For instance, if your child needs to share a device with another family member to complete their work, they may need to take it in turns to access their timetabled lessons. To access Live Learning Support sessions, your child will need to log-in to Microsoft Teams via their Student Portal, click on 'Teams' and then select the relevant class. If you are having problems accessing the home learning offer, please contact the Head of Year 10, Mrs Day on 01723 362301 or d.day@scalbyschool.org.uk

A link to the training videos and resources for students, as well as a special video for parents about how to access and use Google Classroom, can be found on the school website. On the front page of the website, you will see a link that reads **Guide to Accessing Google Classrooms from Home**. You can also go to this address directly <https://www.scalbyschool.org.uk/home-learning/guides-to-accessing-google-classrooms-from-home/> You'll find the videos there.

If you have any questions about how to support your child when learning from home, please do not hesitate to get in touch with the school. You can contact your child's Head of Year via email or phone the school directly to seek support.
